

Thanks for participating in the 2017 Monster Mash 5K Run/Walk. Here are your results:
Some of you will see your name with an (FNoN) behind it. That means you finished, but your bib number was not filled out at the time you crossed the finish line. We were able to find you in the database and recorded your name after the fact.

Those that are recorded as UNKNOWN means you crossed the finish line and the bottom portion of your bib tag was removed prior to finishing. Therefore, we could not identify you at the finish. Sorry!

Thank you for participating!
